

GRASP HAND THERAPY

is on Google Maps

Directions from Durbanville Mediclinic:

- Turn left into Wellington Road.
- Left again at the first set of traffic lights into Paul Kruger Street.
- Turn left at the 4-way stop.
- Immediately left again into the **GREEN** entrance gate that is situated about 10 meters from the 4-way stop, on your left hand side. The building is named **OAK HOUSE**.

We wish to inform you that there is currently **no receptionist** for Grasp Hand Therapy. We manage our own administrative tasks and would like to ask for your patience, if, upon your arrival, we might be in session.

We also ask that you are patient while we thoroughly disinfect and clean the area. We have taken the necessary precautions to minimise the likelihood of spreading Covid-19. In addition, we ask you take note of the following:

- Patients are welcome to announce their arrival to the reception but then encouraged to wait in their car until their appointment time and the therapist will call/SMS them once the treatment room is ready.
- We are also offering Virtual/Video sessions for follow up consultations if and when appropriate.
- If you are experiencing any flu-like symptoms please refrain from coming in and call in advance to reschedule the appointment.
